## *See what's out there!*

Santa Clara County Parks have a wide variety of activities for all to enjoy. To find out more about our Park Ranger or Docent led wildflower hikes and other educational and recreational activities throughout the County Park system, see our Play Here brochure or check online at

[www.parkhere.org](http://www.parkhere.org) .

Special thanks to Lee Pauser for allowing use of his photos for this brochure. You can see more local wild flowers at his website [www.birdsfly.info](http://www.birdsfly.info) .
