Project Description (including purpose and beneficiaries of project)		
<p>The project consists of conducting a controlled burn of approximately 165 acres of annual grassland and Oak Woodlands located within Calero County Park. Project activities include igniting dried grass, cut brush and standing non-native weeds (thistle) through a broadcast burn pattern to improve conditions for native grasses, forbs and wildflowers. The purpose of the burn is to also provide important annual fire training for all local fire agencies in Santa Clara County. This training burn will provide critical wildland fire training for approximately 150 local and state firefighters over a three-day period.</p> <p>Associated activities include fire suppression with fire pump apparatus, hand tools and portable backpack pumps primarily along the burn unit perimeter. The burn area will be prepared for the burn by perimeter mowing, brush clearing, weed trimming, handlines around mature tree and some liming up of low hanging limbs to reduce canopy fire.</p>
