# *park furniture donation program*

**Santa Clara County Parks & Recreation Department** accepts charitable donations to restore and improve our renowned open spaces. Benches, shade structures and other items make great gifts to both your beneficiary and your favorite park.

*Best of all, your donation helps support parks countywide!*

The Department's donation policy has been put in place to install park benches and other amenities at facilities under our jurisdiction. It is the intent of the Department to encourage and facilitate public and private gifts, bequests, and such contributions that enhance, beautify, improve, supplement, support, or otherwise benefit the County's park and recreation system. This policy has been put in place to facilitate the process.

**People may donate new or replacement park benches, picnic tables or park furniture.**

Donations of cash or check for park programs are also accepted. All donations shall contribute to the overall park visitor experience and preserve the visual character of the park setting. Placement of a donated item is at the sole discretion of the Parks and Recreation Department. A donor may request a specific park/property but the Park and Recreation Department will ultimately decide the park and exact location within the park. This may be based on an existing design plan for the property, or if no plan exists, where placement is deemed a park or recreational necessity and consistent with overall design standards of the park. No exceptions.
